I Was Here – Beyoncé

I wanna leave my *footprints on the sands of time*
Know there was something that, meant something that I left behind
When I leave this world, I'll leave no regrets
Leave something to remember, so they won't forget

(Chorus)

I was here...
I lived, I loved
I was here...
I did, I've done, everything that I wanted
And it was more than I thought it would be
I will leave my mark so everyone will know
I was here...

I want to say I lived each day, until I died
I know that I meant something in, somebody's life
The hearts I have touched, will be the proof that I leave
That I made a difference, and this world will see

Repeat Chorus (2 times)

I just want them to know
That I gave my all, did my best
Brought someone some happiness
Left this world a little better just because...
I was here...

Repeat Chorus

I lived (I lived), I loved
I was here
I did (I did), I've done
I was here
I lived (I lived), I loved (I loved)
I was here (oh)
I did, I've done

I Was Here
